

AACS SUPPLIES LIST for 2008–2009

All students are expected to come with the following supplies on the first day of school. **Please observe number limits. More is not necessarily helpful as storage space is limited.** Teachers will notify you throughout the year as items need replacing. Please note: Students will be expected to have a pair of indoor tennis shoes with **non-marking soles** kept at school. These shoes **do not** need to be name brand or expensive. Slippers can be used during the day; however, students must have tennis shoes as well. Students also need boots for inclement weather as well as snow pants, gloves or mittens, hats, and warm coats for winter weather.

Kindergarten

Kindergarten supplies, except for folders and drinking cups, are meant to be shared as a class and do not need to be labeled.
