

Eaglets Preschool

@ Ann Arbor Christian School Enrollment for Fall begins March 1st.

Eaglets Preschool

Ann Arbor Christian School's Eaglet Preschool offers a Christ-centered preschool experience for children ages 3 and 4 years old*. The emphasis of our preschool is to learn together, explore God's creation and build a foundation for elementary education. This is accomplished through a play-based curriculum of units focused on a variety of themes throughout the year. God's relationship to each of us, whether adults or children, is an integral focus of the Eaglets Preschool program at Ann Arbor Christian School.
